### **Authentication and Submission Information**

- We authenticate license plates made/issued within the 50 states of the U.S.A. only. This includes pre-state, city, county, and state issued license plates made to be registered to private passenger vehicles, motorcycles, trailers, boats, commercial vehicles, vendor vehicles/carts, and municipality owned motor vehicles.
- We also will authenticate ONLY state made booster "front" license plates.
- We do NOT authenticate any license plate that has been restored or repainted more than 15% of the original surface area.
- We do NOT authenticate license plates from foreign countries, U.S. territories, military, bicycle, novelty, private issue, sample, nor any license plate used by the federal government.
- WE DO NOT RETURN SHIP OVERSEAS, including to United States territories. We will only ship back to a return address located within the 50 states of the United States.
- Customer permits TAC to take photographs of each item(s) necessary for authenticating the item. All such photographs shall remain the property of TAC. Customer authorizes and permits TAC to place photographs of Customer's item on TAC's website in the manner and in such times as TAC in its sole discretion desires.
- For any item deemed by TAC to be authentic, Customer authorizes and permits TAC to affix a tamper-proof sticker or tag on the item to reflect TAC's authentication of the item. Each tag shall be placed by TAC on the item at such position and location as TAC in its sole discretion shall determine.
- After the inspection and tagging of a license plate, should TAC learn of information that it did not reasonably have available to it at the time of inspection, TAC reserves the right to modify or rescind any statement of authentication or rating of the item previously given by TAC. Should TAC determine from this new information that the item is not authentic, TAC reserves the right to refund its fee to the Customer and Customer authorizes and permits TAC to then remove any previously affixed TAC sticker or tag from the item.
- Should Customer remove or reuse a TAC Hologram affixed by TAC to Customer's license plate, Customer shall have been deemed to have voided TAC's authentication of Customer's item and shall have been deemed to have voided any Idea of Value given by TAC for Customer's item, and TAC shall have no further responsibilities or liabilities to Customer for any reason whatsoever. If Customer wants its item to receive a new sticker or a new tag, Customer must pay TAC to affix a new hologram at the current market rate.
- TAC shall inform Customer if TAC determines that in TAC's opinion, Customer's license plate is not authentic. It shall be Customer's sole responsibility to communicate with whatever person or entity from which Customer acquired the non-authentic license plate. TAC shall have no responsibility to take any actions beyond informing Customer of TAC's opinion that a license plate is not authentic.

### **Shipping Instructions:**

- When your package is received, we will make sure each plate received matches your submitted license plate form information and send an email letting you know.
- License plate authentication turnaround time is 14 Business Days

### **Payment Agreement:**

- All fees may be paid via paypal to financial@matthewsauctions.com or via money order/check payable to The Authentication Company LLC (please enclose with your license plates).
- (The Standard Fee above will be charged for any license plate we review even if we cannot authenticate the plate)
- In addition, customers can purchase a certificate for each item for \$10 that includes 4"x6" certificate with envelope.

### **Return shipping Costs:**

- \$15 for the first item and \$5 for each additional plate (If plates are submitted at the same time). Items sent to us separately over different time periods must pay the full standard shipping rate. These items will be charged for and returned separately.
